EMPLOYMENT

03. 2013 **Loving Kindness AFH** Salem, OR

05. 2014 **Manager; 1 on 1 Care Provider**

Here I helped one gentleman gather the courage to multiple times walk up a flight of stairs on his own (he previously only walked with stroller assistance). I strove to give this individual dignity and encouraged him to step outside of his comfort zone to dress and bathe himself. He was so proud! What is life if we don't at some point spend ours making a difference in the lives of others?

09. 2012 **North Salem High School** Salem, OR

03. 2013 **Tutor/Mentor Site Coordinator**

-I enjoyed helping a particular student with their math. They were confused and wanted to just go home. But when they found we had common interests, they began to loosen up. They asked for math help, and by the end of the period, the student was at the whiteboard solving double digit multiplication in seconds. I guess they just needed a little understanding and encouragement!
